

Hey Sucka

Justine Skye

Couldn't tell, that's 'cause at first it was goin' well
You've been outta line, I've been findin' out
Guess I'm in denial once you goin' down
But I'm so disappointed how you ain't about it
So now I'm like
(Hey sucka nigga) Yeah
(Hey sucka nigga) Uh

Ooh-ooh-ooh, whatever happen to you?
Seems like the rumors were true
Looks like you gotta figure shit out, boy
Countin' all the ways, I can say I made you, oh-oh

Trust me, ain't no turnin' back
Lame ass, broke ass, miss me with that
Sick how you played it off
Love how you think that I lost
Fuck you wherever you are
(Hey sucka nigga, hey sucka nigga)
Trust me, ain't no turnin' back
Lame ass, broke ass, miss me with that
Sick how you played it off
Love how you think that I lost
Fuck you wherever you are
(Hey sucka nigga, hey sucka nigga)

Jealousy, you was outta line when you texted me
Call me on my name and my momma too
Why you act like nobody raised you?
And I'm so disappointed how you ain't about it
So now I'm like
(Hey sucka nigga) Yeah
(Hey sucka nigga) Yeah

Ooh-ooh-ooh, whatever happen to you?
