Justine Skye

I see you looking at me watching every move
You hatin' on my life because you know I'm cool
You talk behind my back and then you smile in my face
You wanna play me close, you tryna take my place

Oh no
You got such a long way to go oh oh oh
You might as well pack it up
Ok
Take some notes if you're gonna stay aye ayee
Pay attention

I'm your Idol
Your Idol
You wish you could be me
You wish you could be me
But you cant ain't ain't ain't ain't ain't
Cant ain't ain't ain't ain't ain't
You wish you could be me
Wish you could be me
Just let it go just let it go
Just let it go just let it go
Just let it go just let it go
Just let it go just let it go

Believe me when I tell you that I'm not the one
Forget it you'll regret it when its said and done
Even when you're thinking that you almost got it
I'm already on to the next to stop it

Oh no
Baby you got such a long way to go oh oh oh
You might as well pack it up
Ok
Take some notes if you're gonna stay aye ayee
Pay attention

I'm your Idol
Your Idol
You wish you could be me
You wish you could be me
But you cant ain't ain't ain't ain't ain't
Cant ain't ain't ain't ain't ain't
You wish you could be me
Wish you could be me
Just let it go just let it go
Just let it go just let it go
Just let it go just let it go
Just let it go just let it go

Don't be mad at me cause I'm who you wanna be
I can be your best friend or your worst enemy (you don't want that)
Don't be mad at me cause I'm who you wanna be
I can be your best friend or your worst enemy

Your Idol
You wish you could be me

You wish you could be me
But you cant ain't ain't ain't ain't ain't
Cant ain't ain't ain't ain't ain't
You wish you could be me
Wish you could be me
Just let it go just let it go
Just let it go just let it go
Just let it go just let it go
Just let it go just let it go
