

Lost Me

Justine Skye

Said when you know, you know, you know, you know know

Counting all yo wishes
Fucking all these bitches erry night
Like you on a mission
How you wanna get it?
Cuz I been on a vibe all night
If you wanna feel it

Eat that, want some
Get right, get low
Want that, I need that
Tried that, can I keep that
All night put it in your face
Take it all, don't let it go to waste
Know you wouldn't want it any other way
I know (I know), I know, I know yeah

Don't I getchu anything you want (what I want, yeah)
Gucci, Prada, even Saint Laurent (even Saint Laurent, yeah)
I kept it a hunnid from the jump (hunnid from the jump, oh)
Lost me, I think you lost me (I think you lost me)
Say brudda used to get me for the low (for da low)
Cuh he need a hunnid for a show (hunnid for a show yeh)
Why you always gotta do the most? (do the most)
Lost me, I think you lost me (lost me)

Say bossing, I think I'm bossing
I'm no longer fed up, I think you lost me (I think you lost me)
Feeling saucy, I'm feeling saucy
Got you on my time, you won't get that often

And you don't really want problems with me now
Fuck around and bounce back like a rebound
And now you look basic
That new bitch that'chu wit is outdated (ugh)
You know sometimes I get too lit
I cannot blame it
I don't need saving
Dont'chu know I gave you everything that I had

Don't I getchu anything you want (you did)
Gucci, Prada, even Saint Laurent (even Saint Laurent, yeah)
I kept it a hunnid from the jump (I kept it a hunnid from the jump)
Lost me, I think you lost me (I think you lost me)
Say brudda used to get me for the low (for the low)
Cuh he need a hunnid for a show (hunnid for a show yeh)
Why you always gotta do the most?
Lost me, I think you lost me (I think you lost me)
