

MAYBE (Deconstructed)

Justine Skye

Said I'm your wife now
And I'll take you, any way I want
Any way I like it, babe
I'm your love now
And you'll take that
Any way you want
Any way you like tonight

I'm feelin' I got your vibe, yeah
Big energy tonight, yeah
You are the reason why, I'm high, aye
So take out your wings and fly, boy
Know I'm the reason why, yeah
Yeah, hey, yeah, ayy, yeah

Baby, maybe
Take me, baby
I'll go, and you'll lead, oh
Drive me, crazy
You ain't gotta persuade me

I know I'm your lady, I'm
Accepting all your love lately I'm
Really lost in you, uh
Let me hold on to you, ah
Dive into me
It would be sin not to taste all of you
Have me any way you want tonight, ayy

I'm feelin' I got your vibe
Big energy tonight
You are the reason why, I'm high
So take out your wings and fly
Know I'm the reason why
Yeah, hey, yeah, ayy

Baby, maybe
Take me, baby
I'll go, and you'll lead, ooh-ooh, ooh
Drive me, crazy
You ain't gotta persuade me
No

Seeing you sittin' there
With the best of me, me
Filling you, with all my love
Baby we have chemistry
Baby we have, baby we
Baby we, baby, baby
Yeah-ee-yeah, yeah-ee-yeah, yeah-ayy, yeah-ayy
Oh-oh-oh, oh-oh
Oh woah, oh
Oh woah, oh, oh, oh
Oh, oh, oh, oh
Oh-oh, oh-oh, woah
Ooh, ooh
