

# Woosah

Justine Skye

Why do I love you?  
I didn't mean to  
Even let my feelings show  
Why'd you let 'em hit the floor  
Why did I trust you?  
I didn't want to  
Let your ego take control  
But I won't get emotional  
Ain't gon'

Cry  
Cry  
Cry  
Even if I'm mad as hell ain't gone  
Cry  
Cry  
Cry  
Even if I'm mad as hell ain't gone  
Woosah  
Not for you, not for anyone  
Woosah  
Not for you, not for anyone  
I ain't gone cry

Now I regret you  
How did I let you?  
Let you play me like a fool  
Can't believe I didn't know  
Swear I resent you  
Tried to forget you  
I'll be better on my own  
Time for you to hit the road  
Ain't gon'

Cry  
Cry  
Cry  
Even if I'm mad as hell ain't gone  
Cry (no)  
Cry (cry)  
Cry  
Even if I'm mad as hell ain't gone  
Woosah  
Not for you, not for anyone  
Woosah  
Not for you, not for anyone  
I ain't gone cry

Too young  
Too dumb  
To know better  
But I know better now  
Too strong  
To keep from moving on  
But it's hard  
For broken hearts  
To mend the love...

Not for you, not for anyone baby  
Woosah  
Not for you, not for anyone  
I ain't gone cry  
No not this time  
I ain't gon' cry
