

Got It Going On

Juvenile

Yeah! Having a good time, ain't it?
Red, gold and green - Kolonji don't bite it!
Oh yes we got it going on, that's all right
Yeah we got it going on, that's all right
Oh yes we got it going on, that's all right - all day, all night
Oh yes we got it going on, that's all right
Oh yes we got it going on, that's all right
Girl we got it going on, that's all right
Your love is mine
Rude! Now people you can't tell me what to do
I do what I want, I go where I want, 'cause Jah will see me through
Attitude, 'cause I don't want to take you for a fool
Them do this, them do that, them want to stop you from go through
Ah true! them phat sexy girls them the view
Nude you strip her down to nothing' no woo woo!
Girls groove, cause I no say I do's
Give me the whole a it you've got nothing to lose
Hey move! Erase your ugly presence in the pool
Handsome, ghetto youth with a girl that was so new
Biggin' up my fans, biggin' up my crew yeah!
Worldwide yeah we got it going on, that's all right
Yeah we got it going on, that's all right
Oh yes, we got it going on, that's all right, all day, all night
The music got it going on, that's all right
Kolonji got it going on, that's all right
The girls them got it going on, that's all right
Them say me have bad behavior, whoa! Goodness save you.
Still I love alms by the true Head Creator
Where I'm from? Ask I manage in Jamaica things greater
Land of food and water, Alpha and Omega
Yeah, you should know, Africa my birthplace
And me smoke Ganja pipe, the smoke going up in vapor
Whoa! Look at Babylon burning like paper
Black people we are the innovator
Hey yo we got it going on, that's all right
Yeah we got it going on, that's all right
Oh yeah we got it going on, that's all right
Music play all day, all night
Yeah we got it going on, that's all right
The people have it going on, that's all right
People love and unite, that's all right - all day, all night
Study, to make yourself improve
The best thing is to know is you've got nothing to lose
Never worry about them, they're going to lose
Because the truth of Rastafari we a choose
So we go, that's all right
Yeah we got it going on, that's all right
Yeah we got it going on, that's all right
Righteousness, what the youths them like
So we got it going on, that's all right
Oh we got it going on, that's all right
Oh yes you got it going on
They got it going on
Down in a de lawn, nuff a them born
Rude! Nah evil Babylon tell me what to do
Do what I want, go where I want, 'cause Jah will see me through
Attitude? Because don't want to take you for a fool

Them do this, them do that, them wan to stop you from go through
Ah true! The phat black girls them the view
Nude me strip her down to nothing' them... no woo woo!
Girls groove, ban this because them know I use
Give me the whole a it you've got nothing to lose
Hey move! Erase your ugly presence in the pool
Handsome Rasta youth with the girls them brand new
Biggin' up my fans, biggin' up my crew
Dirty Babylon them get slew
Yeah we got it going on, that's all right
Africa got it going on, that's all right
Jamaica got it going on, that's all right
Music play ever day, all night
We got it going on, that's all right
