Now dis fool name of Terrel
Seems he was doin' swell
Over tha years where he sell
Was betta than clientele
My niggas was gettin' big
He slung eva since a kid
And always got glamour rides for all of tha shit he did
He had a bad attitude
Nigga selfish and rude
One day he got in a fight in gloom and he gone killed a dude
That's when A.T.F. got hot
Surveillance up on tha block
They knew he was runnin' shop
But dis nigga wouldn't stop
Terrel was a knucklehead
He said mothafuck a fed
Look come if you wanna come and off with you bitches head
Surely dem people came
Git down on yo face and hand
They took tha dope and choked terrel wit a rope man
He thought he would go to jail
5-0 took tha bitch to hell
They took tha dope and said he got crossed in drug sale

[Chorus]

That's how it be happenin'
That's how it be happenin'
I tried to warn my nigga but dem people but they snatched him
That's how it be happenin'
That's how it be happenin'
I tried to warn my nigga but dem people but they snatched him

[Verse 2]

Tha next one is sharolin

Gave birth to her son at 15 and now she scared of him
Look he was a balla' so

Stung her for much furl
Then shot it up his arm
Dat dope bust her heart and that's how sharolin left the world
Now guess what her son use
He snorted boy(heroin) too
He robbed some nigga dat brung drama to his whole crew
Dat multiplied enemies
One of em' slangin' keys
And they got boys who got boys that strapped with artillery's
Now he done on his knees
Beggin' Lord help me please

Dat nite he got on dat dope and went out he was off his knees
Walkin' without a gun
They caught him roun' hit and run
Pulled out dat Tommy gun
Knockin' holes in his fuckin' lung
[Chorus]
That's how it be happenin'
That's how it be happenin'
I tried to warn my nigga but dem people but they snatched him
That's how it be happenin'

I tried to warn my nigga but dem people but they snatched him

[Verse 3]
Nigga done throwed the cross
And the boss
Be the nigga stepped on
So he hired 5 killas that snort up that heroin
To keep his self from being affected
Whoever mentioned his name got they head-bust on next shit
That next hit

Dat Lexus pulled up shells started flyin'
People started runnin' and cryin' lyin'
In tha street was tha one that they came for
Bystanders got hit up so a kid in this drug war
That was five
So she couldn't survive
Homicides said where they at
It happenin' on our side
But in dem' killas' eyes, they on dat dope so it ain't nothin'
Reincarnation is the subject of that discussion
Shit somebody snitch dem people found tha location
Caught 2 out of tha 5 tha they got me down at tha station
Boss man say fuck dem niggas and show nuts
One of dem niggas snitch one of dem nigga hush
Now tha boss gotta pack up shop and leave town
'Cause dem niggas that he know upstate a shank him down
