Iraedo moreugenni
Nau nuni naegaseumi
Eolmana neol wonhaneunji

Know I'm friending you in so many ways
Scene of whip cream dreams got me caught up in your place
Been too long since i felt this resisting on a kiss
Then I miss bliss
Wanna give it up and feel your touch
Rough end stuff when we be making love
Hesitating on you
Not even on issue come through with my bag of tricks and fix you
