

All I Needed

K Camp

Niggas try and talk down like this shit was over with
Let her feel the dick and it's over with
All the fake shit that's over with
Baby I'm that nigga that's gon' show you shit
Baby we them niggas that's gon' pop shit
Bitch stop playing you don't got shit
Only hit the bank for deposits
Too many designers in my closet

Just needed some of your motivation
That's all I needed
That's all I needed
That's all I needed
That's all I needed
Tell your baby that you proud of them
That's all I needed
That's all I needed
That's all I needed
That's all I needed

Might pull up on your girlfriend head first
Fuck the couch girl let's start off on the bed first
If you luck I might let you get some head first
All the pressure that we smoking might make your head hurt
I'm just here for the check that you hit me
I got a vision
Range or the Rollie, I gotta make a decision
Foreign hoes, just fucking, that's what a nigga envision
Foreign hoes just sucking and I cut em just like [?]
Trynna turn this muthfukin sideways
Nigga been up haven't slept in five days
Sorry baby but I can't put a name to your face
Matching Benz trucks, so mama let's raise
Diamonds and the bezzle baby girl that's froze
Searching for your treasure when it's all on my nose
Started from the bottom now I see those zeroes

Just needed some of your motivation
That's all I needed
That's all I needed
That's all I needed
That's all I needed
Tell your baby that you proud of them
That's all I needed
That's all I needed
That's all I needed
That's all I needed

She just wanna vibe yeah

Let's keep it alive okay
Let's keep it alive okay
Let's keep it alive okay

Shawty come and smoke one with your partner

We can get nasty, cops and robbers
I don't need no IG just to follow
And we don't got no time for you cock blockers
When you get out of work baby come see me
When you get off work you should come and see me
When you get out of work baby come see me
I know you a freak I'm a get it easy

Just needed some of your motivation
