These niggas copy how I flow
Copy how I move, copy how I rap
Copy how I dress, maybe I'm a mess
Shootin' at your vest, open up your chest
Feel like Ron Artest, but I ain't a Pacer
Life an elevator, let me light an L
Turn up on these pussy niggas, might as well
Let me give 'em hell, I'ma ball out
Fifty racks on me, turn them all out
Fifty racks on me, turn your bitch out
Hit the pussy once, then I switch out
