

# Black Men Don't Cheat

K Camp

Hey K Camp, I got an idea for you, here we go  
Yeah nigga I'm cheating on you so don't you call me  
Said pack up all your bags, and girl you phony  
Three missed FaceTime on your laptop  
Said I'm going to rob you and open up a shop, hahahahaha

She think I'm cheating on her, she think I'm cheating on her  
She think I'm cheating on her, she think I'm cheating on her  
She think I'm messing around, she think I'm cheating on her  
She think I'm messing around, she think I'm cheating on her  
She says there's another woman, she said I got another woman  
She said I seen it coming, she said I seen it coming  
She think I'm messing around, she think I'm cheating on her  
She think I'm messing around, she think I'm cheating on her

She said she feel different, she said something missing  
Think I'm buying tricken, but you know that ain't the case  
I love playing with you, I love kissing on your body  
I love praying with you, baby put that in my face  
All alone with nobody to talk to that's why she lurking  
Starting shit on purpose, don't worry I'm steady curvin'  
Bitches make her nervous, you trippin', I think you perfect  
All that fuss and fighting diserging, I'm out here workin'

She think I'm cheating on her, she think I'm cheating on her  
She think I'm cheating on her, she think I'm cheating on her  
She think I'm messing around, she think I'm cheating on her  
She think I'm messing around, she think I'm cheating on her  
She says there's another woman, she said I got another woman  
She said I seen it coming, she said I seen it coming  
She think I'm messing around, she think I'm cheating on her  
She think I'm messing around, she think I'm cheating on her

She think I'm double dipping, no time for nonsense  
I can play both sides, girl I got no more time for nonsense  
Ran a whole tour, to offer temptation  
Going to a lot more than just a little conversation  
Know I value what I got so I can't fuck it up  
She my purple, she made me put down the double cup  
See my brown skin, black men don't cheat  
Serenade her sing to a light black street

She think I'm cheating on her, she think I'm cheating on her  
She think I'm cheating on her, she think I'm cheating on her  
She think I'm messing around, she think I'm cheating on her  
She think I'm messing around, she think I'm cheating on her  
She says there's another woman, she said I got another woman  
She said I seen it coming, she said I seen it coming  
She think I'm messing around, she think I'm cheating on her  
She think I'm messing around, she think I'm cheating on her

Boy you been acting strange, got me lurkin' all in your phone  
Keep playing all these games and I'm gonna leave you alone  
Hickys all in your neck boy, you always making excuses  
Sneaking around with that bitch, nigga you stiddy feeding me bullshit  
Ey, see I know you cheating on me  
Probably with a red head right now having a sixty-nine in my house

Ey home guy can't trust a word that you ever say  
I'm fucked up cuz I know you only going to violate me

Cheating on me
