

Dead Wrong

K Camp

She just wanna get high, I do too (I'm high as fuck)
Right now, I'm up there, how 'bout you? (Geeked as fucked)
Know I did you dead wrong, but you still care
I'mma fuck you anywhere, don't care who there (This that Trappin N London, for sure)
Ridin' with that top back, I let them niggas stare
She just want some Christian Dior and Moncler
Bust it, she just want some Christian Dior and Moncler

You look like a trophy, you look like a dime
You look like a bitch that don't let niggas waste her time (Let's go)
You look like a freaky ho that bust it to this song
(She just want some Christian Dior and Moncler)

This sound like her song (Song)
Come up out that thong (Woah)
Love and get fucked on (Fucked on, yeah)
Love and get fucked on
Life go on and on
Shawty got her type (Type)
She get what she wants (Ooh)
Ride me like a bike (Let's go)
Shrooms, it kicked in (Kicked in)
Let's get kicked in (Kicked in)
Sauce, it kicked in (In)
What? It kicked in (Uh)
Talk to me nice (Nice)
Fell in love with ice (Ice)
She just want my pain (Pain)
It won't happen twice

She just wanna get high, I do too
Right now, I'm up there, how 'bout you?
Know I did you dead wrong, but you still care (You still care)
I'mma fuck you anywhere, don't care who there (Yeah, let's go)
Ridin' with that top back, I let them niggas stare (Them niggas stare)
She just want some Christian Dior and Moncler
