Uh-huh, drop, uh-huh, top
Uh-huh, drop, uh-huh, top
Drop the top, drop the top
Drop top, drop top
Uh-huh, drop, uh-huh, top
Uh-huh, skrt, uh-huh
Drop the top, drop the top
Drop top, drop top

Brand new 'Rari, lose the roof
Hop out all white, feel like Zeus
Godly, pardon me let me through
Mixing muddy, taste like juice
Taste like candy, pop one Xanny
Your freak too geeked, savage Randy
Handy dandy, gas pedal
Masi', McClaren, heavy metal
Let's get it

Uh-huh, drop, uh-huh, top
Uh-huh, drop, uh-huh, top
Drop the top, drop the top
Drop top, drop top
Uh-huh, drop, uh-huh, top
Uh-huh, skrt, uh-huh
Drop the top, drop the top
Drop top, drop top

Double, triple, triple double
Cristal, pour bubbles
VIP lit, bad bitch
Killed friends let's split it
Drop top, sun drop
Missing roof, call the cops
Wind blowing, hair loose
Can I drop the roof?

Uh-huh, drop, uh-huh, top
Uh-huh, drop, uh-huh, top
Drop the top, drop the top
Drop top, drop top
Uh-huh, drop, uh-huh, top
Uh-huh, skrt, uh-huh
Drop the top, drop the top
Drop top, drop top
