

Girl you too friendly
You just care about money and Bentleys
Dick you down, tryna pull out yo Remi
Girl you know it's not on me, it's in me
Shawty know she got ass but she skinny
When it come to a nigga she stingy

Girl you too friendly
You just care about money and Bentleys
Dick you down, tryna pull out yo Remi
Girl you know it's not on me, it's in me
Shawty know she got ass but she skinny
When it come to a nigga she stingy
When it come to a nigga she stingy

Girl you too friendly
I got smoke let me slide on your chimney
You say that you don't need me, oh really?
She don't drink but she smoke like a hippie
Dick you down let me start at dem titties
You don't think I'm that nigga you trippin'
We can fuck in the car for a quicky
Blow your back out just like they did Ricky
Ooh

Shawty love trappin', she worki at magic
She run up a check, she tired of being average
Two tone on the patek
Get it from my mama but shawty know I'm her daddy

Girl you too friendly
Let her fuck in the back of the Bentley
You be cuffin that pussy you stingy
She want 42, hoe she want remy

I want you to be ya self
Shawty say she a dog, say that she love me and she want nobody else
But I know she lie

Girl you too friendly
You just care about money and Bentleys
Dick you down, tryna pull out yo Remi
Girl you know it's not on me, it's in me
Shawty know she got ass but she skinny
When it come to a nigga she stingy
When it come to a nigga she stingy

Girl you too friendly
I got smoke let me slide on your chimney
You say that you don't need me, oh really?
She don't drink but she smoke like a hippie
Dick you down let me start at dem titties
You don't think I'm that nigga you trippin'
We can fuck in the car for a quicky
Blow your back out just like Ricky

Girl you too friendly

She a bad one, I met her at Denny's
Blow her back out I might take her to Lenox
Two cups of that Remy, I got you bent down
I want you to invite a friend now
Now I got that pussy she goin' for ten rounds
She getting' thicker
Just like a slave you know I'm that nigga
Buy a diamond freezer, they making you shiver
You know I deliver that meat like Domino's
You don't gotta ask me about no other bitches
I'm sure you know I got a lot of hoes
I got a lot of those
The Bentley with the roof got two doors
I ain't got time for no new hoes
Kick em out the house like kudos

Girl you too friendly
You just care about money and Bentleys
Dick you down, tryna pull out yo Remi
Girl you know it's not on me, it's in me
Shawty know she got ass but she skinny
When it come to a nigga she stingy
When it come to a nigga she stingy

Girl you too friendly
I got smoke let me slide on your chimney
You say that you don't need me, oh really?
She don't drink but she smoke like a hippie
Dick you down let me start at dem titties
You don't think I'm that nigga you trippin'
We can fuck in the car for a quicky
Blow your back out just like Ricky
