K Camp

Jugg for real, finesse for real  
Checks for real, let's be real  
Stunt for real, I'm for real  
Jugg for real, jugg for real  
Jugg for real, let's be real

What you doing?  
Jug, jug, jug, jug, jug, jug, jug  
Jug, jug, jug, jug, jug  
What you doing?  
Jug, jug, jug, jug  
What you doing?

Pull up and stunting  
Roll me a blunt  
I see that ass from the front  
A nigga run it,  
Run up a check, I got the best, yo nigga ain't talking about no  
thing  
I gotta flex, bring out the jet, bringing a whole lot of blunts  
Jugg for real, finesse for real  
Checks for real, let's be real  
Jugg for real, jugg for real

Jugg, jugg, jugg, jugg  
Flex, flex, flex, flex  
Stunting, stunting, stunting, stunting  
Checks, checks, checks, checks  
College shawty for the sex  
Pass the bitch like a test  
Fuck her once, leave her wet  
I'm only here to collect  
Shout out my niggas that say tryna jugg  
That nigga lame and he wishing he could  
Pushing a foreign, the trunk in the hood  
All of my niggas, we up to no good  
All of my niggas gon ride for the play  
I'm tryna make me a million today
