

Just Need Luv

K Camp

It's that Trappin N London for sure

We not different from each other
We both on the same thing
Fuckin' undercover
Turn you to my main squeeze
I can show you shit you don't know 'bout
Fuck that talkin', gotta show me, yeah
I can show you shit you don't know 'bout
Fuck that talkin', gotta show me

Huh, why shawty wanna act like I'm born rich? (Just need love)
I can see why, 'cause I'm on some fly shit (Just need love)
Last nigga you was with, he is not it (Just need love)
I don't care who had last, bitch, you're my shit
Show me how you act up in private (Just need love)
Put it here on my tongue, I'm wildin' (Just need love)
Act grown, baby, don't be childish
Act grown, baby, don't be childish

She just need love (She just need love)
You just need love (Just need love)
Oh, you just need love, uh-huh
You just need love (Baby, come alive in the nighttime)
She just need love
You just need love
You just need love
She just need love, uh-huh
Uh, told her turn me up
Told her turn me up, oh

We not different from each other
We both on the same thing
Fuckin' undercover
Turn you to my main squeeze
I can show you shit you don't know 'bout
Fuck that talkin', gotta show me, yeah
I can show you shit you don't know 'bout
Fuck that talkin', gotta show me

Yeah, blowin' gas, not a time that I ain't lit
Lightin' up, but they can turn me up a little bit (Huh?)
We just tryna find a vibe off in this bitch
We just tryna come alive off in this bitch (Hey)
Pockets full, you can tell 'em that the storm heavy
You can tell them little hoes I was born ready
Outside and I want you (Want you)
Turn me up, what you gon' do? (Turn me up)
I don't know about shawty, but I know you do (Hey)
Sexy as hell, body like, "Yoo-hoo" (Yeah, yeah)
Every time we link got me like, "Woo-woo"
Every time you link got me like, "Ooh"
I don't know about shawty, but I know you do, yeah
Every time we link, got me like, "Woo-woo" (What?)
Every time you link, got me like

We not different from each other

We both on the same thing (We both on the same thing)
Fuckin' undercover
Turn you to my main squeeze
I can show you shit you don't know 'bout
Fuck that talkin', gotta show me, yeah (Turn you to my main thing)
I can show you shit you don't know 'bout
Fuck that talkin', gotta show me (Yeah)

She just need love (Just need love)
She just need love (Just need love)
Just need love
Just need love
She just need love
You just need love
She just need love
You just need love
You just need love, uh-huh
You just need love
She just need love
You just need love
