## K Camp

Pull up on me baby and I'll drive you in a lamb skr skr  
And when the feelings that I have skr skr  
Could buy you a car, pay your rent, woah...  
You don't need to worry about your friend  
Pull up in a lamb, pull up in a lamb racing  
I be in a lamb, I be in a lamb baby  
Louie's what you want, my communities gated  
You always stayed down  
You stayed down when they hated
