Oh mama, yeah

Oh, mama (Mama)

I appreciate the things that you do for me

Oh, oh, oh mama (Mama)

I just know the queen is made for me, I bet she's something like you

Oh mama (Mama)

My special lady (My special lady)

Oh you, you taught me how, how to love and understand, no you (Mama)

You raised a boy then he turned to man

Oh, oh, oh mama (Mama)

I appreciate the things that you do for me

Oh, oh, oh mama (Mama)

I just know the queen is made for me, I bet she's something like you

Oh mama (Mama)

(My special lady) Oh, you

(Mama, mama)

Oh mama (Mama)

Like you, oh lady (Mama)

Oh mama (Mama, mama)
