

(Sometimes I be tweakin' but I got my reasons)  
(Money on your head, they gon' stop you from breathin')  
Yeah, yeah

Sometimes I be tweakin' but I got my reasons  
Money on your head, they gon' stop you from breathin'  
Cuz told me aunt'nem, they all miss me, like I don't miss them  
Me and you been beefin' lately, get it out your system  
Me and you been beefin' lately, get it out your-

Plug be depressed, free that nigga Ralo (Free that boy, yeah)  
Lick all on my bitch and go eat tacos  
Bust 'til I see the rewards  
Money make a bitch wanna slob  
Makin' movies, tell 'em record  
Diamonds shine, you can tell I'm on my job (Yeah)  
All the real ones in the building say yeah  
Uh-oh, hey (Talk to 'em)  
Hey (Yeah), hey (Yeah)  
Hey, uh-oh (Yeah), hey

Sometimes I be tweakin' but I got my reasons  
Money on your head, they gon' stop you from breathin' (Money on your head)  
Throw that shit up where you wrong (Let's go)  
Cuz told me aunt'nem, they all miss me, like I don't miss them  
Me and you been beefin' lately  
Me and you been beefin' lately, get it out your-

I won't let these nigga interfere the process  
Gang shit, hold weight like I bench press  
One text, three words, send the address  
Bitch turn it up, get explicit  
I swear your head game is vicious  
Fuck it, I been burnt them bridges  
Stack the money up, stack it up, lil' bitch (Bitch)  
Stingy with the pussy when you know I been hit  
Tell it done changed, these my brand new Ricks  
Brand new Glock with a brand new stick, come on

Sometimes I be tweakin' but I got my reasons  
Money on your head, they gon' stop you from breathin' (Money on your head), yeah  
Throw that shit up where you wrong (Throw it up)  
Cuz told me aunt'nem, they all miss me, like I don't miss them  
Know I'd rather get some money, ain't no time to diss them  
Me and you been beefin' lately, get it out your system  
Me and you been beefin' lately, get it out your-
