All of my niggas is reckless
Sip on that mud straight from Texas
I spend a grip on my necklace
Told her to give me a second
Fucking with me is a blessing
Ain't about money, don't test it
New whip it look like the Jetsons
I got a bag no question, I got a bag no question
I got a bag no question, I got a bag no question
I got a bag no question, I got a bag no question

20 acres, no neighbors
My hoe vanilla like wafers
Dreads braided with a taper
Blowing gas out the vapor

All of my niggas is reckless
Sip on that mud straight from Texas
I spend a grip on my necklace
Told her to give me a second
Fucking with me is a blessing
