

# On The Corner

K Camp

Fasho!

When you get it out the mud  
You can do it how what you wanna  
Here's for the niggas still trapping on the corner  
I just need two bad bitches and some marijuanna  
Let her hit South Beach let her hit the toma  
Shawty say that pussy mine, but you know I don't own it  
1942 plus the gas I'm a stoner  
All around the world big jets I'm roamer  
Rolling up the runts she can smell my aroma  
(Yeah) These niggas can't see me  
Shawty want Fendi yeah she want CC  
All the way down I'm dripped in double GG  
Shawty gon box she seen me on the TV  
Shawty want ice shawty want VV's  
Pussy real good but baby real needy  
Front right in and dive in that Fiji (Jump right in and dive in that Fiji)

(Yup) Baby imma kick it how you kick it, kick it  
Fucking with the real like I'm Diddy (Diddy)  
I think it's bout time for a visit  
Imma have to kiss it like I miss it  
Don't be a fool don't fall for lies  
Hoe you ain't shit, you are not a prize  
Big on a bitch you are not my size  
Girl I'm just playing but that's no surprise
