(New playlist)

Noooo

I been, watching you, you been watching me  
Sex inside your eyes, baby is that what you see  
Is that what you want, don't you lie to me  
I'm tryna open up your love  
Can I get that body up in privacy  
Cause I want to lock it up just slide the key  
(Just Slide) Decide for me

Girl you in your zone  
Looking through your phone  
Can't be here alone  
Wonder who you waiting for  
I feel like me girl  
We just need to meet girl  
What's your fantasy, you know we can be discrete  
We ain't got to say shit bout what we done did, did  
Niggas and bitches be talking like kids  
About things ain't none of they business  
Tell them get some money get up out of they feelings  
VV's all on your neck drip in yo ear  
Would you shine without those diamonds I see clear  
If I could just get you near, its all up from there

I been, watching you, you been watching me  
Sex inside your eyes, baby is that what you see  
Is that what you want, don't you lie to me  
I'm tryna open up your love  
Can I get that body up in privacy  
'Cause I want to lock it up just slide the key  
Just slide, decide for me

Girl I want to lock it up just slide the key  
Just slide, decide for me

She gon' let me slide but this ain't MLB  
She heard I got cash now she in L.O.V.E  
Diors hit that dash now watch me curve the block  
I'm what you heard about, oh don't get nervous now  
I'm on that drink now watch me buss it like a 40 cal  
Them lashes got you pretty now  
Love the way you take control of that dick you acting sturdy now  
You might worthy now, you served your purpose now  
I'm your lock smith, pop shit  
Diamonds faucet, boss shit  
Expensive outfit, rock shit  
She know I'm turnt up apply that pressure on it, let's go

I been, watching you, you been watching me  
Sex inside your eyes, baby, is that what you see?  
Is that what you want? Don't you lie to me  
I'm tryna open up your love  
Can I get that body up in privacy?  
'Cause I want to lock it up just slide the key

Decide for me

Girl I want to lock it up just slide the key

Decide for me

Yeah
