Can't understand why my hearts so cold  
Shawty got a love, that's as pure as it go  
Shawty got a love that'll reach your soul  
Too busy tricking off with the hoes in the road  
When they don't mean nothing but a fuck or two  
I'm just tryna tell you that I fuck with you  
When I'm gone wondering who is fucking you  
There for the moment like a substitute

I don't know) You don't know how much I've done  
To what? To get where I'm at  
Straight up) And you don't know how much I've done  
To what? To stay where I'm at

According to the sunrise, the bitch hang around could be the fun guys  
And when I say fun, yeah she entertaining  
She gonna get the best head, let me explain me  
She gonna take it out the blood, I'm feeling I'm heroic  
Every time she spit, I call her a poet  
Shawty want shots, I told her to pour it  
A nigga keep calling, I tell her ignore it, ay  
Back then they call me count 9 ways  
Vet on the team and I'm still making plays  
Bitches know I'm clean like some brand new J's  
A hundred dollar shirt and some gold Cartier  
Four hundred plate comes to eating cause I'm paid  
Or maybe cause I made it  
Or maybe cause they hate it, tell em niggas save it
