I'm a go hard 'til the fame over, but yet they don't know that  
it's game over  
Roll up the weed 'til I flow, filling my cup 'til it spill  
I put the squad on my back, making the plays on the field  
These niggas know what it is, chase that lil' bitch if you wanna,  
chase that lil' bitch if you wanna, she is a real primadonna
