K Camp

Sound (Sound)

David wake up

It's my last day in New York, last night [?]

Based1 got them bands, ho

Yeah

I'm on a perc and a addy at the same time (Same time)

I ain't seen you in forever, hope you doin' fine (Ah)

Even though that we don't speak, I hope I crush your mind (Crush you mind)

Know I spit the real, free my niggas doin' time

I go back to the hood and they still love me (They still love me)

If I go back to my ex, I know she still love me (I know she still love me)

I just wish that you was here, I wish that you can hug me

You know it start out so pretty before this shit get ugly (Shit get ugly)

Long live my cousin Jeff, I wish that you can bug me (You can bug me)

I just spent 'bout fifteen hunnid on a bullet puppy (Bullet puppy)

Stack them racks up with my niggas, run it just like ruby

I just drunk all the tequila, time to pop the bully

Smoke them blunts back to back 'cause I'm traumatized (Traumatized)

These niggas know just who I am don't need to use disguise (Use disguise)

I can hear my grandma talkin' when I see the sky (Grandma)

Add them commas once again and then I multiply (Multiply)

Play with ki's like a piano

I realize these niggas hate my soul

I lock in and see how far I go

Bad bitches at the front row at my shows, uh

I got the Ralph Lauren with the real jeans on (Real jeans on)

Heard you say that you boss, so put your team on (Put your team on)

I just let 'em hear my thoughts on that microphone (Microphone)

These niggas looked up and notice I'm too far gone, far gone (Yeah)

Tell them bitches I'm on, I'm on (Ooh)

In a different time zone, time zone (Let's go)

VVS these ain't no [?] stones, [?] stones (Let's go)

I'm on a perc and a addy at the same time (At the same time)

I ain't seen you in forever, hope you doin' fine (Hope you doin' fine)

Even though that we don't speak, I hope I crush your mind (Yeah)

Know I spit the real, free my niggas doin' time (Free my niggas)

I go back to the hood and they still love me (Still love me)

If I go back to my ex, I know she still love me (I know she still love me)

I just wish that you was here, I wish that you can hug me (Yeah)

You know it start out so pretty before this shit get ugly (Shit get ugly)

Take the [?] out (Out)

Bring the mattress out (Out)

Everytime I hit a note them bitches passin' out

No this ain't Tyler Perry but I'm actin' out (I'm actin' out)

How you traded on your niggas, what is this about? (What is this about?)

Free my mind and then I free my soul

Take my time I cannot lose control

I bounce back on niggas feel like rolls

Just a day spent two racks on my toes

Haha
