

I got hoes, I got stripes
I've done dealt with most these haters all my life
I love money, but who don't?
Fuck they sayin'? I'll do anything I want
Think I won't? Think I won't!?
Think I won't!? Think I won't!?
I got money, I got stripes
I've been hustlin' every day of my life

No money, fuck that, break it down, earn a sack
Any means, say cheese, heard they snitchin', that's a rat
Lame niggas, where the sack? Please follow, fuck, back
Just fuckin' up the game, that's a mothafuckin' fact
Took a loss, bounced back, turned a dollar to some racks
Outsiders get taxed, leave them bitches where they're at
Hitters comin' from the front, hitters comin' from the back
I'm just comin' for a sack, I don't know how to act
Walk right in my closet
Hundreds in my boot
She say I'm the coldest
Bitch I thought you knew

How you doin'? Bitch I'm fine, take my time, hella signs
Had to shine, from the grind, I'm like Dion in his prime
If she's fine then she's mine, bitch I do this all the time
If my nigga do the crime, I see nothin', bitch I'm blind

Ain't that Camp though? I think that is
