

# Typical

K Camp

This shit I'm doing ain't typical  
Let the chopper paint a visual  
Break a brick like an arm  
Spend a brick on a charm  
This shit I'm doing ain't typical  
This shit I'm doing ain't typical  
Break a brick like an arm  
Spend a brick on a charm  
Lil mama body perfection  
We keep them straps, Texas  
She got a body like a goddess  
Water diamonds dripping like a faucet  
This shit I'm doing ain't typical  
This shit I'm doing ain't typical

I ain't trappin' but money here  
But I can tell you where the money is  
I can tell you a funny kid  
Background like an adlib  
Break a brick like an arm  
Twenty K for the charm  
We got chickens like a farm  
Broccoli like D.R.A.M  
Don't confuse me with so and so  
Eating shrimp off in Oppalo  
Rocking Gucci with the open toe  
She gon' let a nigga poke her throat  
Hit a nigga with a MAC  
Shout out boo off in Magic  
Play the bitch like Madden  
I'm that nigga, I ain't braggin'

This shit I'm doing ain't typical

This shit I'm doing ain't normal  
I came up, call it karma, yeah  
You niggas act like informants  
Young nigga hot like a sauna  
The chopper I'm toting so difficult  
It don't take bullets, it take missiles

I don't got goons, I got hitters  
Steph Curry with the pistols  
Hugh Hefner with the hoes  
Slanging bowls with my woes  
She put that coke to her nose  
Got a nigga like woah  
I poured a four then I dozed, off  
In a foreign how I drove, off  
I'm riding with guns, a brick of that soft  
I'm going federal if I get caught

This shit I'm doing ain't typical
