Mama, are you proud?
Mama, are you proud of me?
Daddy, are you proud of me?
Fans, are you proud of me?
Tell me, is you proud of me?
Mama, are you proud of me?
Daddy, are you proud of me? (Is you proud?)
Are you proud? Tell me, is you proud?
Baby, are you proud of me?

Look what your son became
Long time comin', now I'm flyin' on them private planes
Yeah, love you, granny, I been missin' you like yesterday
Wanna be legendary, there's a price to pay
I wish that you was here a lot more
I was hurtin' back then, I ain't hurtin' no more
Childhood, I was lost and I was angry
The sole reflection of my daddy, you can't blame me
Plenty years, yeah, I felt I wasn't worthy
Put the pain inside the music, now I'm famous
Keep in mind I never wanted to be famous
Don't let your mind get the best of you, that's dangerous
Still goin' 'cause I want a lot more
Open your eyes, what you cryin' for?
Yeah, open your eyes, what you cryin' for?
Shit ain't been the same these days
I been watchin' my back 'cause these niggas want war
Yeah, thousand bitches on tour
Screamin' my name, wanna swim in my pain but my heart so sore
Roll the za' up and now my mind in the clouds (Yeah)
Missin' Aunt Sharant, can you send down a few smiles? (Can you?)
Missin' Demi Rose, can you send down a few smiles? (Can you?)
Missin' granddaddy, can you send down a few smiles? (Yeah, mm, aw)
I know a lot of niggas doubted me
I just got one question, is you proud of me? (Yeah, I did it)

Mama, are you proud? (Your son did it)
Mama, are you proud of me? (Of course)
Daddy, are you proud of me? (You proud yet?)
Fans, are you proud of me?
Tell me, is you proud of me? (That's all I wanted)
Mama, are you proud of me?
Daddy, are you proud of me?
Are you proud? Tell me, is you proud?
Baby, are you proud of me? (Look what y'all created)

Yeah
