Drank, pills, brand new foreign with some brand new wheels
Cash stack, I took your ho but I'ma give her back (Yeah, let's go)
Hop in the Lam' today
I made some grands today
Feeding my fam this way
Stuffin' the grams and fade
I'm tryna fuck on your bae
Pray they don't take me away

Pray they don't take me away
Load up the thirty and spray
I got a hundred ways
Thirty to beat me a case
I had to sit down and pray
All that I had was my faith
Yeah, yeah, brand new foreign, yeah
Brand new truck, yeah
Brand new Draco case you wanna try your luck, yea
Freak ho, they just wanna suck and fuck, yeah
Feel that dust, yeah, ooh

Drank, pills, brand new foreign with some brand new wheels
Cash stack, I took your ho but I'ma give her back (Yeah, let's go)

Feeding my fam this way
Stuffin' the grams and fade
