

What I Got

K Camp

I know these niggas ain't want what I got (I got, I got)
Shawty a trophy but she act like a prop, a prop, a prop
Look in the mirror I like what I see
She know that I'm covered by G-O-D
Shawty keep textin I talkin' OD
Ball just like Jordan I'm talkin' 23
Ball just like Jordan I keep a 4.5
I don't know why I'm so used to your lies
Say you like swimmin', well watch how I dive
Know I see trouble inside of your eye
In love with that money keep starin' at me
I fell In love with that M-O-N-E
I fell in love with that M-O-N-E
Give you my heart keep the lock you the key

He want a feature I charge a fee
I got some shit unreleased on my feet
I got some bitches I'm dyin' to meet
Bitches adore me they love when I speak
See that you tribing to get wet not me [?]
He tried to play get left in the street
I got some bitches I'm dyin' to meet
Bitches adore me they love when I speak

I know these niggas ain't want what I got (I got, I got)
Shawty a trophy but she act like a prop, a prop, a prop
Look in the mirror I like what I see
She know that I'm covered by G-O-D
Shawty keep textin I talkin' OD
Ball just like Jordan I'm talkin' 23

Baby I'm over the realm
Feel like Jah and phin [?]
You already know that it's him
Speakin' Spanish in south of France
From the dirt imma grow like a plant
Bought some properties with my advance
Hit the gas and go on a rant
Money long as long as the ramp
I don't really like talkin' to people
Not everybody be on my vibe
Ery'body ain't part of my tribe
I'm a hustler I gotta survive
