

What's Your Name

K Camp

Your walk, your talk
But I can't remember your name
I remember you're fye
I remember your eyes
But I can't remember your name

Ooh woah ooh woah ooh woah
I can't remember your name

Your face look so familiar what is your name again?
Can't remember your name

Shawty think she know me, I think I know her too
Whatchu gon' do when it's money on you
Money on you I can do it times two
But I'm not your dude

Your walk, your talk
But I can't remember your name
I remember you're fye
I remember your eyes
But I can't remember your name

Ooh woah ooh woah ooh woah
I can't remember your name

Your face look so familiar what is your name again?
Can't remember your name

Yeah yeah, yeah yeah
What is your name again? What is your name again?
Your face look so familiar what is your name again?
What is your name again? What is your name again?
Your face look so familiar what is your name again?
