

Without Risk

K Camp

What's a life without no risk?
What's a stick without no drum?
When I die, I'm going to Heaven
Been through hell but it's been fun
I talk heavy
Every time I speak up on this bitch
I talk heavy
Every time I walk up on this bitch
I talk heavy, heavy
Heavy, heavy, heavy
Heavy, heavy, heavy, heavy
Heavy, heavy, heavy, heavy
Heavy, heavy, heavy, yeah

Rolling up that 'za pack (Rolling)
He gon' run off with the style, he's a copycat
I'ma ball till I fall like a gym rat
Already bust down your walls, where your friends at? (Where your friends at?
)
What, ho?
Where you been?
I been getting money since like fourteen
Where you been?
I've been locking in, this is quarantine
Where you been?
Show them how to hustle, how to stay the course
Where you been?
I've been living fast, is it lit? Of course

What's a life without no risk?
What's a stick without no drum?
When I die, I'm going to Heaven
Been through hell but it's been fun
I talk heavy
Every time I speak up on this bitch
I talk heavy
Every time I walk up on this bitch
I talk heavy, heavy
Heavy, heavy, heavy
Heavy, heavy, heavy, heavy
Heavy, heavy
Doe Bezzy, let's go

I was always taking risk
Bitch, I'm a demon where I'm from
I'd expose a pussy nigga
I was taking niggas' guns
Fuck that cap, I don't talk none
Bitch, that's really how I was
He'll kill you just because
You better not play with my little plug
Up in your shit, I just woke up on that today
I don't play
Spray this K
Scare his whole cap away
Got this Drac' and it switch
Take his cape and his bitch

Staring at this rapper, I'm rich, so rich
But still might that risk (Oh, really?)

What's a life without no risk?
What's a stick without no drum?
When I die, I'm going to Heaven
Been through hell but it's been fun
I talk heavy
Every time I speak up on this bitch
I talk heavy
Every time I walk up on this bitch
I talk heavy, heavy
Heavy, heavy, heavy
Heavy, heavy, heavy, heavy
Heavy, heavy, heavy, heavy
