

# Your Type

K Camp

I might not be your type (Uh-uh, uh-uh)  
'Cause everybody got somethin' they like  
And I might not be your type (Oh-oh, uh-uh, uh)  
I might not be your type (Oh-oh, mm, yeah)  
'Cause everybody got somethin' they like  
And I might not be your type (Yeah)

Might go out my way just to please you  
But that don't mean (Oh)  
That don't mean I'll get somewhere  
I'll be on your 'Gram (Yeah)  
Tryna see where you stand, time to wash my hands  
You been playin' these games, feel like a fan in the stands  
But now I'm starting to understand

I might not be your type  
'Cause everybody got somethin' they like  
And I might not be your type (Oh-oh, ooh)  
I might not be your type (Oh-oh, mm, yeah)  
'Cause everybody got somethin' they like  
And I might not be your type

Why it feel like I'm stuck in the middle?  
Knowin' I'm big, but currently feel little  
I want you right here in my bed  
Tell me your secrets, cry on my pillow  
Life's not easy, life is not simple  
Shooting your shot like Donovan Mitchell, oh

I might not be your type (I might not be your type, babe)  
'Cause everybody got somethin' they like  
And I might not be your type (Be your type)  
Might not be the type, I might not be your type (Might not be, might not)  
I might not be your type (Ooh, mm, yeah)  
'Cause everybody got somethin' they like  
And I might not be your type  
Might not be, no, might not be, yeah, oh

Unicorn man, this six-foot, rich dude  
And I don't think women understand  
You know how many other women are also looking for that same man? (Mm)  
So, to expect that  
You can certainly get that, but, I don't even think a woman would understand  
how to, how to keep that kind of man  
Because, that kind of man don't need you (Mm)  
And to think you got a magical coochie cat is not gon' keep that man with mo  
ney  
Because there are women that are just trying to throw it at him all the time  
So, I don't, I don't know where that's comin' from  
I don't, I don't understand it, it never made any sense to me  
Because it takes a, if you got the man that is, that is on a purpose  
And he's able to provide, that way, women don't need to shut up enough to st  
ay with that type of man (Mm)  
And then wonder why he's cheating on a woman who's not attractive as you  
Or less than you  
Weird or crazy, crazy delusion
