Anybody ever told you That you're so special?

You're so special Girl, has anybody told you that lately? You're so special Lady, that's what you are to me, special

When I wake up, I feel brand new So renewed When I wake up, I feel like singing La da da de da

When I get up, I feel like dancing Clap my hands, reminisce on your romancing I'm on my way, I'm coming through I can't wait to see you

You're so special Girl, has anybody told you that lately? You're so special Lady, that's what you are to me, special

Have I told you lately, baby
That you're the biggest part of me?
The second most reason
That I ever breathe

I love the way you handle things Love the way you take good care of me Girl, it's so, so sweet to me, yeah I'm so glad that God sent me you I'm so glad I can depend on you

You're so special Girl, has anybody told you that lately? You're so special Lady, that's what you are to me, special

I treasure things about you The things that you do You give me joy Girl, I'm in love with you

Special
Girl, has anybody told you that lately?
You're so special
Lady, that's what you are to me, special

Special
Girl, has anybody told you that lately?
You're so special
Lady, that's what you are to me, special
