

# Sugar Moon

k.d. lang

When it's sugarcane time  
And around about June  
I'll be walkin' with my sugar  
'Neath that old sugar moon

All the lovin' I missed  
I'll be gettin' it soon  
I'll be gettin' it from my sugar  
'Neath that old sugar moon

I can see us right now  
Get the calendar down  
And draw a circle around  
The day we're heaven bound

Oh, when it's sugarcane time  
And around about June  
All the birds will be singin'  
'Neath that old sugar moon

I can see us right now  
Get the calendar down  
Draw a circle around  
The day we're heaven bound

When it's sugarcane time  
And around about June  
I'll be walkin' with my sugar  
'Neath that old sugar moon
