

## Western Stars

k.d. lang

Western stars light up the sky  
Hear the desert wind roll by  
Tonight, tonight

Western stars can break your heart  
They keep shinin' when we're apart  
Tonight, tonight

I watch, I wait  
How long will my heart ache  
Tonight, oh tonight  
I watch, I wait  
My heart is bound to break  
Tonight

Western stars light up the sky  
Tonight I'm alone to cry  
Tonight

I watch, I wait  
My heart is bound to break  
Tonight

Western stars light up the sky  
Hear the desert wind roll by  
Tonight, tonight  
Tonight, tonight
