

# Spaghetti

K.Flaj

I gave up on giving up the summer of 2000  
Sweating through my gym shorts, career in painting houses  
I found out every member of Metallica was divorced  
My brother kept on beating me at horse  
I applied to work at NASA but I was scared of seeing the world  
as a tiny blue dot  
I guess you have to do that if you wanna be an astronaut  
I guess you have to do a lot of things that you don't wanna do  
And by "you" I mean me, and by "me" I mean you

And by "you" I mean "me", and by "me" I mean "you"  
And by "you" I mean "me"

Life is what you make it  
Well, that's the worst advice I ever got  
Life gives me spaghetti, I tie it into knots  
Life gives me lemons, I eat 'em on the spot  
Fuck  
Life gives me confetti, and I smoke it like it's pot  
Whoa, are you feeling it, man?  
I think I'm feeling it  
Should I take more?  
Are you feeling it too?  
And by "you" I mean "me", and by "me" I mean "you"

And by "you" I mean "me", and by "me" I mean "you"  
And by "you" I mean "I," and by "I" I mean "us"  
And by "us" I mean "them"  
I guess that's everyone

And by "you" I mean "me", and by "me" I mean "you"  
And by "you" I mean "I," and by "I" I mean "us"  
And by "us" I mean "them"  
I guess that's everyone  
And by "you" I mean "I," and by "I" I mean "us"  
And by "us" I mean "them"  
I guess that's everyone  
And by "you" I mean "I," and by "I" I mean "us"  
And by "us" I mean "them"  
I guess that's everyone
