

The Muck

K.Flav

Growing up, still fucking up, ey oh, ey oh
Do the work, every day oh, ey oh
I'm looking for clarity but it keeps avoiding me
Here I am, feeling like Playdoh, ey oh

Nobody tells you that the world is just a swamp
No, nobody tells you that the water gets you drunk

Wait wait, slow down
I'm just stuck in the muck like
Wait wait, man down
I'm just stuck in the muck like
Stuck in the muck, in the muck like
Stuck in the muck, in the muck like

Screaming all summer long, ey oh, ey oh
Hot as fuck, so alone
I shouldn't be suffering
Why I pay for therapy?
Waiting room better have Legos, ey oh

Nobody told me that the jungle gym ain't safe
I'm just a creature getting thirsty in my cage

Wait wait, slow down
I'm just stuck in the muck like
Wait wait, man down
I'm just stuck in the muck like
Stuck in the muck, in the muck like
Stuck in the muck, in the muck like

I wanna get better
I wanna be someone I can love, I can love
I wanna get better
I wanna be someone you can trust
I wanna get wetter
I'm gonna go swimming in the muck
I wanna get better
I wanna be someone you can trust, you can trust

Wait wait, slow down
I'm just stuck in the muck like
Wait wait, man down
I'm just stuck in the muck like
Stuck in the muck, in the muck like
Stuck in the muck, in the muck like
