

## Doin It Big

K'Jon

This is a Waves exclusive. Hey girl, yeah I know, everybody is doing it big. But they say I'm different.

Buck 1-2-5-5. Girl I'm stuck on your thighs. Looked into her eyes, she kindly replied, "You talk all the same, fronting with your game." I said, "That's not what I'm all about, slow it down, check me out because..., everybody's not trying to get up in your pants baby all I wanna do is make you get on up and dance." Then maybe we..., we can move ahead. Get to know each other. This is what she said, she said...,

[Chorus:]

"Everybody doing it big, everybody doing it big. Everybody doing it big, so what makes you different?" I said, "They can't love you like I'm willing to baby, oh and that makes me different."

She was standing by the bar, I wasn't too far. "Bartender what you got? I'll take mine on the rocks. Baby don't say a word. I'm paying for your's. But if you think that I'm trying to cut, then maybe you shouldn't come to clubs because..., everybody's not trying to get up in your pants baby all I wanna do is make you get on up and dance." Then maybe we..., we can move ahead. Get to know each other. This is what she said, she said...,

[Chorus]

[Bridge:]

I just want to hit the dance floor baby here's a chance for us to boogie til we just can't boogie no more. The only thing on my mind is to have a good time. You need to just unwind. Unwind baby, ease up. You see, not every man is trying to get in your pants. Walk it up and just dance baby.

[Chorus]

[Outro talk:] Cichon Renee you're the best ma ma. Waves you be doing it big. Riff Dawg and J. Spee we doing it big. Up&Up yeah doing it big. Universal Republic doing it big. Ha ha ha.
