

This Time 4 Real

K'jon

(This time) I'll be there for you
Say a prayer for you
(This time) I'm gonna open up
Gonna show some love
(This time) and baby I'll be true
I'm gonna make a difference
(This time) I'm so in love with you
(This time... yea)

Last night tried to get some snooze
Dreamed we was breaking up, we were through
When I looked around you was gone
Found that our house really not a whole year ago
Since you've been away from me
Baby I was so wrong
Come back to me baby

And I thought about my family
Where would I be without their unity
And my love for my people run deep
When I struggle through the day and disappointment
So many, but we're gone and now it's me
Rest in peace
I know I'm blessed, woke up to a second chance

(This time) I'll be there for you
Every night say a prayer for you
(This time) I'm gonna open up
Gonna take your advice, gonna show some love
(This time) and baby I'll be true
I'm gonna make a difference
(This time) I'm so in love with you
(This time... yea)

Woke up, turned on the news and I said to myself
What's this world come to? Oh yea oh oh
See this can't be true baby
I'm so scared, scared to lose you now
Baby I feel sure helpless
I'm waiting and waiting and waiting and waiting
To catch my breath
My world is filled with noise
I need to come to serve for this
Don't let em take away my joy
'Cus without there's an empty void

(Chorus)

(This time) I'll be there for you
Say a prayer for you
(This time) I'm gonna open up
Show you love
(This time) baby I'll be true
I'm gonna make a difference
(This time) I'm so in love
(This time... yea)
This time, this time

(Verse)

I can't describe
Feelings inside
And I can't hold it back (hold it back)
And I can't hold back these tears in my eyes
No one can't replace
The smile upon your face
Man it used to make my day
I can't go on
Until I know that you're ok
And it's not the same baby
So I gotta say

(Chorus x2)

(This time) I'll be there for you
Say a prayer for you
(This time) I'm gonna open up
Show you love
(This time) baby I'll be true
I'm gonna make a difference
(This time) I'm so in love
(This time... yea)
