Love of my life, my soulmate
You're my best friend
Part of me like breathing
Now half of me is left
Don't know anything at all
Who am I to say you love me?
I don't know anything at all

How did we ever get to this?
Pictures of my princess when she barely lived
Now I'm looking in the mirror feeling very sick
Cause you're talking like it isn't when it really is
I couldn't be her fairy when she lost her teeth
And push the pound under her pillow when she fell asleep
Now I'm drowned in sorrow and it's very deep
Cah time ain't promised and it's got me weak
And daddy's little princess don't notice me
And you're the reason why and it's cold to see
And even though I tried you won't just be
Reasonable inside to resolve this please

Who am I to say you love me?
I don't know anything at all
Who am I to say you need me?
I don't know anything at all

Reminiscing on my baby queen
When she used to wake me up outta my sleep
Now I'm waking up alone like it's all a dream
Cah my baby's so grown and I can't believe
You're talking like I wasn't there from the start
Like I didn't take you in and you took my heart
Cause I was broke, you pushed it in your little jar
And turned cold just as soon as times got hard
I had to go even though it tore me apart
I'll have you know I never thought it would last
But of course for my daughter I would starve
And put up with your shit on her behalf

Who am I to say you love me?
I don't know anything at all
Who am I to say you need me?
I don't know anything at all

Fuck it, it's money over bitches anyway
My babies over riches any day
Go hard till I reach the pearly gates
No heart since I've been an early age
Don't ask if I feel a burning pain
It's money over bitches anyway
My babies over riches any day
Go hard till I reach the pearly gates
No heart since I've been an early age
Don't ask if I feel a burning pain

Who am I to say you love me?
I don't know anything at all

Who am I to say you need me?
I don't know anything at all
