

# All I Got

K. Michelle

I'll give you this dance  
And I'll give you hope  
I'll sing you a song  
It's something I wrote  
I'll trace you in ink  
Connect all the dots  
It's not much,  
but it's all that I got

I'll give you my heart  
And some of my time  
And if you do wrong  
A piece of my mind  
I'll give you some space  
If that's what you want  
It's not much but it's all that I got

Lettin' it all out,  
Breakin' these walls down  
Nowhere to hide now  
It's not much but it's all that I got

If all I got is the love I was promised, I'm good (I'm good)  
Even if it's all I got  
If all I got is the touch of your body, I'm good (I'm good)  
Even if it's all I got

Let's do it again  
Don't want it to end  
So baby just keep  
Your hands on my skin  
I love how it feels  
To lay here and talk  
It's not much,  
but it's all that I got

Lettin' it all out  
Breakin' these walls down  
Nowhere to hide now  
It's not much, but it's all that I got  
It's not much but it's all that I got

If all I got is the love I was promised, I'm good (I'm good)  
Even if it's all I got  
If all I got is the touch of your body, I'm good (I'm good)  
Even if it's all I got

You're all I got  
I want to be solid as a rock  
I'm never gon' stop  
Loving you outside the box  
It's not much but it's all that I got

If all I got is the love I was promised, I'm good (I'm good)  
Baby it's all good, no, even if it's all I got  
If all I got is the touch of your body, I'm good (I'm good)  
Even if it's all I got

If all I got is the love I was promised, I'm good (I'm good)  
Even if it's all I got  
If all I got is the touch of your body, I'm good (I'm good)  
Even if it's all I got, all I got
