1. Mama said it would happen to me  
But I never did believe  
I'm young I'm fine I'm in my prime  
This is not the time  
To be sitting at home crying  
While your ass is out here lying  
Hang it up You can stop your trying  
I'm giving up I'm done with love

R: It would be nice to love you  
But I got too much, too much to do  
Everyday I'm thinking of you  
I'm suppose to be bulletproof

H: Damn, I'm feeling some kind of way  
Oh damn, wanna love you but can it wait  
Oh damn, it maybe hard to walk away  
I'm feeling some type of way

2. I tried but it didn't work  
In love I always hurt  
Should have never gave you my number  
Could it work Ain't never wondered  
I got too much to lose  
You got too much to prove  
Don't wanna end up like them other dudes  
Quick too go just lose

3. I'mma coward when it comes to love  
Start to fall for someone  
And then I run  
From the hurt  
From the pain  
Sometimes you got take the chance  
When you wanna love again
