

Ghost

K. Michelle

I can't believe my eyes, can't believe what I'm seeing
What, what a surprise, I can't I can't I can't believe it
You used to be so many colors to me
Now when I look at you all I see is clear.
And nothing else in this world mattered to me
Just as long as I had you near.

I step right out the highest building thinking I could walk the sky
Tell me that and now I believe.
But this will be the last time you made me cry
'Cause this ain't nothing but a small screen, yeah

A ghost, you're nothing but a ghost to me
A ghost, and you don't exist no more.
You're nothing but a ghost to me
A ghost, and you don't exist no more.

See, you used to be my dream, now all you do is haunt me
Go, go, go.
Go, go, go.

I used to think heaven when I looked at you
Because you were an angel to me.
But now all the hell that you took me through
Baby, you lost your wings.

I used to feel like I was on top of the world
With you I would go anywhere.
Until I woke up at the bottom of this earth
And saw you both lying there.

A ghost, you're nothing (ghost) but a ghost to me (yeah)
A ghost, and you don't exist no more (no) .
You're nothing but a ghost (ghost) to me
A ghost, and you don't exist no more.

See, you used to be my dream, now all you do is haunt me
Go, go, go.
Just go, just go, just go.

Oh, you used to love me
But now I'm falling, I see you drifting.
Ever since you broke my heart in two
I don't wanna have nothing to you.

Now even though I still love you, boy
I gotta walk away from you, boy
I got my strength, (yes) I can't do this (yes)
Scratch your name off my lips.

A ghost, you're nothing but a ghost to me
A ghost (a ghost) and you don't exist (no more).
You're nothing but a ghost (your gone) to me (your nothin but a ghost)
A ghost, and you don't exist no more. (don't exist, never been)

See, you used to be my dream, now (now all you do is haunt me)
Go, go,

Go, go,

I can't believe my eyes, can't believe what I'm seeing
What, what a surprise, I can't I can't I cant believe it
You're a ghost.
