

Ride Out

K. Michelle

You wouldn't understand the tears I cried
All those nights you weren't around
You crossed the line and now is time
All 'cause you weren't around

So don't be mad when I get in
My shit and ride out
You gone be mad when another nigga show up and show out.
You gone be mad, when you look back you see you missed out
You're gonna try to come back but I ain't with you now
It's too late, ey ey
Ey yeah
Ey yeah
Oh it's too late, hey, hey
Yeah yeah
Ey yeah

You never thought I'd walk away
But things change, when you're not around
You're gave me no choice, can't justify
Why you were never around

So don't be mad when I get in
My shit and ride out
You gone be mad when another nigga show up and show out.
You gone be mad, when you look back you see you missed out
You're gonna try to come back but I ain't with you now
It's too late, ey ey
Ey yeah
Ey yeah
Oh it's too late, yeah, yeah ey
Ey yeah
Ey yeah

Ain't nothing 'bout this love gone work
Thought it could fix it but I'm still hurt
You put me through more than I deserve
You had your chance but now it's his turn.

It's too late, yeah yeah
Yeah yeah,
Ey ey
It's too late yeah yeah, yea yea yeah
Huh huh huh

So don't be mad when I get in
My shit ain't ride out
You can't be mad when another nigga show up and show out.
You're gon' be mad when you look back and see you missed out

(Whoa oh)
Ride out
Ride out
Ride out

Ride out
