

Same Damn Show

K. Michelle

Tears in my eyes, tryna hide behind the shade
Ain't gon' lie, man, I hate where this is headed
Social media won't keep me off they page
It's been a journey, and sometimes I do regret it

And I can't pretend that I don't see the end
Feels like I'm drowning underwater
And God knows I tried, but I can't live this life
No, no, no

I swear it's just the same damn show
I already know how the story goes
It's the same damn show
I don't wanna be the star anymore
I done gave you everything that I had in me
I'll be damned if I let you take what's left of me
I'm gon' let this go
Same damn show
I'm tired of the same damn show
I'm tired of the same damn show

Chapter's closed, this is where it ends
It's what it is, gotta find a new beginning
Stories told, same ol' shit again
Sick of this, gotta find a better ending

And I cannot lie, yeah, this river's run dry
Can't find the reason anymore

I swear it's just the same damn show
I already know how the story goes
It's the same damn show
I don't wanna be the star anymore
I done gave you everything that I had in me
I'll be damned if I don't do what's best for me
Time to let this go
Same damn show
I'm tired of the same damn show
I'm tired of the same damn show

And I won't ever know if I don't try
Don't try
And I always believe that I could fly
I could fly

It's the same damn show
I already know how the story goes
It's the same damn show
I don't wanna be the star anymore
I done gave you everything that I had in me
And I'll be damned if I let you take what's left of me
Guess it's time to let it go
It's the same damn show

Oh, I'm tired
Of the same damn show
Same damn show

Same damn show
