

# Scooch

K. Michelle

Soon as you walked in the room  
Fresh cut, line up lookin' smooth  
Is that Baccarat smell from you?  
I can see myself on you

You got me questioning my own dude  
It might be time for something brand new  
I don't want to look like no fool  
But I can't keep my cool 'cause

I don't want no one night stand  
But I gotta take this chance  
I usually don't do this  
But this one shot I can't miss  
Boy, I hope I ain't too forward  
Might be too much for you

But tonight, I'm coming over to be yours (Scoot on over)  
There's a space (Scoot on over)  
For me tonight  
Let me know if you got room (Scoot on over)  
For me (Scooch on over)  
To be in your life  
I'm on my way tonight, so

(Scoot on over)  
You better make room for me, baby (Scoot on over)  
Next to you is where I'm trying to be  
You need (Scooch on over)  
I could keep you rock hard steady, so (Scooch on over)  
So you better have my pillow ready

After we finish, I know  
Me and you could be relationship goals  
And don't nothing, but the money fold  
You ain't worried about my past and I ain't worried about yours  
Ain't no telling where this could go  
Who knows what the future holds?  
Trying my best just to let it flow  
But every time I see you, boy, I lose control

Don't want no one night stand  
But I gotta take this chance  
I usually don't do this  
But this one shot, I can't miss  
Boy, I hope I ain't too forward  
Might be too much for you

But tonight, I'm coming over to be yours (Scoot on over)  
There's a space (Scoot on over)  
For me tonight  
Let me know if you got room (Scoot on over)  
For me (Scooch on over)  
To be in your life  
I'm on my way tonight, so

(Scooch on over)

You better make room for me, baby (Scooch on over)  
So you better have my pillow ready

And I know we just met (Just met)  
But you won't regret it  
If you let me around (Scoot on over)  
Is there space? (Scoot on over)  
For me tonight  
So you better have my pillow ready  
Scooch on over
