

Tennessee

K. Michelle

(Goin' back, I'm goin' back
To Memphis, Tennessee)

Mama, I was just takin' off
It's sure late, but I'm on the road
Is it OK if I stay with you tonight?
He had too much to drink again
And he went from a gentleman
Into a demon I don't recognize
Whoo-oooh-oooh
Whoo-whooh

We got into an awful fight
My life flashed before my eyes
Never seen him in a rage like this before
And I said some things you won't believe
The way I cuss, the way he screamed
Couldn't stand the sight of him anymore

Well, I'm tired of these tears on my pillow
There's gotta be a better life for me
So I'm drivin' out to find my hero
I hope he's back home in Tennessee

(Goin' back, I'm goin' back
To Memphis, Tennessee)
Tennessee
(I'm goin' back, I'm goin' back
To Memphis, Tennessee)

Mama, you were right again
I didn't understand back then
When you used to say you just can't raise a man

(Ooh)
Thought my love could make him whole
Fill the void down in his soul
Now I see that wasn't in God's plan

Well, I'm tired of these tears on my pillow
There's gotta be a better life for me
So I'm drivin' out to find my hero
I hope he's back home in Tennessee

(Goin' back, I'm goin' back
To Memphis, Tennessee)
Tennessee
(I'm goin' back, I'm goin' back
To Memphis, Tennessee)

Mama, I just need some peace
So won't you say a prayer for me?
Maybe I'll feel better when I'm home again

'Cause I'm tired of these tears on my pillow
There's gotta be a better life for me

So I'm drivin' out to find my hero
I hope he's back home in Tennessee (ooh-ooh-ooh)
I hope he's back home in Tennessee (ooh-ooh-ooh)
Yeah, I hope he's back home in Tennessee

Whoo-ooh-ooh
Whoo-who
Whoo-ooh-ooh
Whoo-who
