

We All Try

K. Michelle

We all try
Still no fucks
Given

Hoh woah oh
Woah hoh oh

I don't believe in love
Cause I can't feel no pain
Been with so many dudes
It just don't feel the same
I don't believe in you
Your album sales ain't true
I believe strippers
Should get Health insurance too
I don't believe that
You gon leave her for me
At that award show
Tweeting out y'all selfie
I don't be that
Ya call yaself suing me
Haven't I been through enough
Why can't you let me be
I don't believe that
God took my aunt from me

And I'm just crying
Cause I don't believe in nothing
Nothing
Pray to god that it show me something
Something
Cause I feel nothing

I don't believe I'm single
To this day
I don't believe in much
But I still pray
I don't believe
The grammys didn't nominate me
I'm a little ratchet
But my musics everything
I don't believe
My best friend believe stole from me
I don't believe
My sister cares for me
Make me a mother
But not make me a wife
Never made me smile
But always make me cry
It don't work out
But I gotta try

And I'm just crying
Cause I don't believe in nothing
Nothing
Pray to god
That'll show me something

Something
Cause I feel nothing
