

## I Would Never.

k-os

I would never take your girl  
Your girl, your girl, your girl  
There's too much be the end the world  
The world, the world, the world, the world

I got my mind made up  
I don't dance with the devil (Wohoo)  
It's like she punch a little girl  
But she told me that she love me (Ow)  
But have no fear  
'Cause you got a real boy now  
I've got to die every Thurs  
And they take my [?]

I would never take your girl  
Your girl, your girl, your girl  
There's too much be the end the world  
The world, the world, the world

I would never take your girl  
Even though I know I could  
I guess I'm just a little boy  
Dressed up in a man's clothes  
So let the bastard fly  
Even if she [?]  
Let the bastard fly

I got my mind made up  
I don't dance with the devil (Wohoo)  
It's like she punched a little girl  
But she told me that she love me (Ow)

I would never take your girl  
Your girl, your girl  
There's too much be the end the world  
The world, the world

I would never take your girl  
Your girl, your girl, your girl  
There's too much be the end the world  
The world, the world, the world, the world  
I would never take your girl  
Your girl, your girl, your girl  
There's too much be the end the world  
The world, the world, the world, the world
